Always o Siempre viene del latín "Semper" (Eterno). La idea de eterno, describe aquello que no posee principio ni punto final, una existencia sin tiempo o fuera de tiempo.

Esto es la esencia de Always, una serie que está diseñada para que perdure siempre, gracias a sus formas y sus colores acromáticos, colores neutrales que no compiten en un espacio y que combinan entre sí para crear estancias eternas.

*"Always"; "Siempre" in spanish, comes ethymologically from latin "Semper" which means Eternal. This concept of the eternal, describes these things with no beginning and finish neither. A timeless existence.*

*This is Always line essence, which has been designed to keep up with the times, due to its shapes and neutral tones, capable to coexist in the same atmosphere. These shades can be combined between them, achieving eternal spaces.*
